

HAPPY BIRTHDAY, MADAME CHAPEAU

MAKE YOUR OWN FOLDED HAT

Print this page on white paper using a color printer. Turn this page into a fun hat by folding as shown below:

1 Fold paper in half at the blue line below and position so that these instructions are facing you, but upside down.

2 Fold the upper right and left corners towards you along the dotted lines. Run your finger along the folds to crease.

3 Fold the two bottom flaps up at the red lines to create a white band along the bottom rim of your hat.

4 Pull the bottom of your hat open and wear it proudly!

This same folding technique works with a piece of newspaper or larger rectangle of paper to create a bigger-size hat.
