

Draw Lincoln Green BACK TO FRONT  
(like You Know Who)

SHORT CUT: Fold the page in half on the dotted line and TRACE the Lincoln Green that you can see through the paper!

Mess up Lincoln Green's  
bedroom by adding these  
things to the picture:

- > a camera
- > a cowboy hat
- > a toy train
- > a tennis ball
- > a sock
- > an empty bottle
- > a pair of underpants
- > a scrunched up bedcover

REMEMBER:  
BE AS MESSY AS YOU CAN BECAUSE THAT'S HOW LINCOLN LIKES IT!

STANDING IN FOR LINCOLN GREEN by *David Mackintosh*

CHORE # 2

You Know Who let all the plants die.

Bring them back to life with your  
magic drawing skills before Lincoln's  
Mum finds out...

There's one  
plant that  
doesn't need  
watering  
very much.  
But you can  
colour it in.

Lincoln Green prefers cannonballs to tidying.

Design an amazing swimming pool you'd like in your back yard,  
or maybe just somewhere you'd like to see Lincoln go for a swim...

Lincoln Green likes to time handstands in his bedroom

How many legs can you draw in the bedroom windows in...

**50 SECONDS?**

(no one has ever done all the windows in time)
